

How to find the Elton John Research Centre...

We are here

[Click here to see an interactive map of our location](#)

When you enter Sussex house through the two sets of entrance doors, follow along through the next set of doors past the vending machine and turn right towards the nursery.

At the end of the corridor, turn right. We are located on the second floor - you can either use the lift or take the stairs.

Once on the second floor ring the buzzer for 'Elton John Centre'.
