

HYBRID C-Card Issuing Sites

Updated January 2024

HYBRID C-CARD ISSUING SITES can issue a paper C-Card to young people who aren't able to use the C-Card app for some reason.

You can also pick up free chlamydia/gonorrhoea self-test kits.

Most hybrid C-Card issuing sites are closed C-Card sites. Closed sites are open to **EXISTING SERVICE USERS/STUDENTS OF THAT SITE ONLY**. This means that you cannot go to these services unless you are already linked in with them

*If you don't have the C-Card app or a paper C-Card you can still pick up 3 free condoms.
